

ARSENAL EMPLOYEES AWARDED—Abbot Shaw, 52 (left), 709 Buell Ave., and John Janda, 49 (center), route 1, Wilmington, receive suggestion certificates and cash awards from Harvey Steffes (right), assistant branch chief at Joliet Arsenal for their ideas which have represented monetary savings to the government in operations at the plant. Shaw, who has been an Arsenal employe since May 8, 1950, devised a mechanical procedural improvement, while Janda, at the Arsenal since April 6, 1949, came forth with an improvement on an electronic testing device.
